FINANCIAL SECURITY

All monies paid to Ski and Sport Ltd are secure. We provide this security by way of a bond held with ABTA to cover all tours by coach. Our ABTA number is Y4964. All tours by air have the same level of security as Ski and Sport Ltd hold their own ATOL (not working under another Company's ATOL). Our ATOL number is 10526. Please see our booking conditions for full details.

Other Accreditations

Ski and Sport are members of the School Travel Forum (STF) and holders of the Lotc (Learning Outside the Classroom) badge which ensures that the welfare of all travellers are of premium importance to all their members.

Overseas Partners

All our Spanish Tours are overseen and fixtures organised by SALBCN who are based in the centre of Barcelona. They are run by Mr Nick Simons who has organised sports tours into Spain from throughout Europe over many years, gaining lots of experience. He also lives in Barcelona and has a wealth of knowledge and contacts throughout the area. Nick or a member of his staff accompany all teams to fixtures throughout their stay.

Our Italian partners are Acampora Travel SRL who again organise our accommodation, internal transport and fixtures. They are part of the hugely influential Hotel Beds group and are extremely experienced and knowledgeable in all sports they organise.

Group Sizes

Ski and Sport base all their coach prices (unless requested to do otherwise) on 40 full paying passengers plus 5 free accompanying staff. This ensures a group has a coach to themselves. We do however welcome small groups who can either elect to pay a small numbers supplement to travel on their own or can be combined (if possible) with another similar sized group if they do not wish to pay the low numbers supplement. In the latter case some degree of flexibility may be necessary.

Air Tours are based on 30 full paying passengers plus 3 free places unless alternative numbers are requested.

Low Numbers Coach Supplements

With the cost of coach hire and ferry crossings being fixed amounts it is necessary for Ski and Sport to charge the following supplements if a group wishes to have their own coach. We base this on £5 per person below the base number of 40 paying e.g.

30 paying passengers £50.00 per person supplement

35 paying passengers £25.00 per person supplement

37 paying passengers £15.00 per person supplement

SPAIN BARCELONA

ACCOMMODATION

EVENIA OLYMPIC RESORT

We are fortunate to base all our Barcelona groups in this superb 4 star hotel complex situated in a quiet area of Lloret de Mar within easy walk of the beach, pedestrian shopping area and the resort's large hillside water park (open mid May onwards). The hotel is also opposite the enclosed all weather training complex which is booked for our groups each morning.

Groups will be accommodated together in the Olympic Garden which is just one of this 4 hotel complex and will have full use of all facilities in the complex. These include 6 swimming pools including a large indoor pool (attended), a large indoor games room with a multitude of electronic games and table football / tennis etc.

In addition the complex has its own water park opened just 2 years ago and a 5 a side enclosed area available for our group to use free of charge.

Rooms are of a high standard ranging from 2 to 4 beds (singles on request), all with full bathroom facilities, air conditioning, satellite TV and telephone.

Meals are taken in the hotel's own dining room and are of an extremely high standard with a huge buffet choice for each meal.

FIXTURES

Our teams play against local opposition in and around Barcelona. Times of these fixtures vary slightly but with them being against club sides they take place outside school hours (i.e. after 5pm). Wherever possible we arrange games close together but on occasion (and especially if a group have a large number or teams and girls teams) it may be necessary to play at more than one venue each evening. On all occasions our staff will accompany groups to these venues.

During the booking stage we will request information from each team concerning the teams "standard" of performance. We ask group leaders to be as "honest" as possible in stating the level of each team. This ensures that fixtures can be arranged against opposition that meets your requirements.

All fixtures are against teams with their own grounds which are enclosed and with a high standard of both facilities and playing surfaces (3G). UK teams are therefore asked to carry the appropriate footwear.

All games are officiated by local fully qualified uniformed referees and linesmen, paid by Ski and Sport.

FC BARCELONA TOUR

All groups will visit this famous stadium and museum for a guided tour at some stage during their stay. Visit the extensive trophy room and savour the atmosphere of this magnificent arena. A visit to the huge club shop is also a favourite where souvenirs of all sizes and prices can be purchased.

OTHER ACTIVITIES

Time permitting, there are a number of other venues and activities that groups can visit during their stay. The excellent Lloret de Mar Waterpark is open mid May to September and is very close to our hotel.

There are numerous opportunities for shopping in the pedestrian area of Lloret itself or the nearby market at Tossa de Mar. The nearby historical city of Girona has numerous interesting sites including the harbour and castle.

Our groups also receive a guided tour of Barcelona at some stage of their visit.

ITALY LAKE GARDA

ACCOMMODATION

We have a number of options of accommodation in the Lake Garda area but most groups stay at the excellent 3 star Hotel Centro Turistico Gardesano situated at the south east end of Lake Garda and an easy drive to nearby Verona.

It is a modern and comfortable hotel with a very friendly service to all its guests in spacious and picturesque surroundings. All rooms are air conditioned with full bathroom facilities, telephone, TV and balconies offering beautiful view of the surrounding hills and countryside.

Meals are taken in the hotel's own restaurant and includes an extensive buffet breakfast and a wide choice of both local and international dishes for other meals. A packed meal is also arranged should the schedule require it.

The hotel also has a huge outdoor pool and relaxation areas together with a small indoor games room and other outdoor recreational areas.

Other accommodation includes the 3 star Hotel Vito situated in the heart of the Valpolicella wine area and only 10 kilometres from Verona, together with the 3 star Hotel Bristol situated only a short walk from the centre of Riva de Garda.

FIXTURES

All fixtures are against local opposition in the form of clubs and will once again be played in late afternoon. These fixtures are all within 45 minutes to 1 hour drive from our hotel.

The season runs from October to the end of May. Games start around 4pm and groups return to the hotel after fixtures for a late meal.

Fixtures will be as closely matched as possible depending on the ability level given to us by party leaders. It is sometimes necessary to use more than 1 venue for games but the travel time between these is kept to a minimum.

As with Spain, venues are of a high standard and playing surfaces are usually 3G. Appropriate footwear (no metal studs) needs to be worn by travelling UK teams.

Professional officials are arranged through Acampora and officiate all matches.

Training facilities have been arranged at the Golf and Sports Club Paradiso which is a state of the art football (and other sports) training camp close to Pechiera del Garda near the southern shores of Lake Garda and only a short drive from our hotel. Here there are many fields of various sizes both grass and artificial together with a pool, championship golf club and facilities for tennis, basketball and volleyball.

STADIUM TOUR

One of the highlights of the visit is a tour of the San Siro museum and stadium or "correctively named" Stadium Giuseppe Meazza, the shared home of AC Milan and FC Internazionale Milano (Inter) both playing in Serie A of the Italian League.

These famous clubs have a superb history in European Football. Named after the area of Milan where it is situated, the stadium is considered one of the quintessential symbols of the City of Milan and is one of the most famous stadiums in world football.

The museum is part of the tour and was the first of its kind to be set up in Italy. The San Siro store, the main point of reference for all fans of the two teams, offers a complete range of official products of both teams including all new and exclusive brands. Its own radio station, played in the shops, adds even more to the atmosphere.

OTHER ACTIVITIES

Within very close proximity of our accommodation is a variety of other interesting places to visit. These include an educational visit to the nearby city of Verona, including a "treasure hunt", boat trip on Lake Garda and the impressive Roman Colosseum. There are the nearby Movie Studios, fun park of Garda Land and the cable car up to the nearby mountain of Monte Bondone offering impressive views of the lake below. A visit to Venice may also be a possibility depending on fixture schedules.

PORTUGAL LISBON

Our ever expanding sports programme just got bigger with the addition of Portugal. This popular destination will be based around the stunning cultural city of Lisbon. Home to some of Europe's top teams, Ski and Sport can offer you a trip like no other, tailor made by you to ensure you get exactly what you paid for.

As with all other tours we offer fantastic 3 or 4 star accommodation to ensure you get the best out of your visit. A variety of sports are available to include football, rugby and tennis.

ACCOMMODATION

The 4 star Aldeia dos Capuchos Golf and SPA Hotel in the historic village of Capuchos is located less than 2 miles from the Costa da Caparica beach only a 15 minute drive from Lisbon City centre and 20 minutes from the airport.

The modern rooms include a balcony, cable TV and tea / coffee making facilities together with private bathrooms and luxurious amenities. Many rooms have ocean or pool views and free WiFi is available throughout the hotel.

Once again there is a wide choice of cuisine in the hotel's two restaurants.

We are using an excellent standard of accommodation at the Centre Parks complex in Kempervennen, close to the town of Eindhoven and an easy tour away from the interesting town of Maastrick with its famous shopping.

In addition to its lodging the centre offers a wide range of activities including cycling, climbing, indoor ski snow-zone, sub-tropical swimming with water rapids, slides and a snorkel pool, zip wire and a large games room. The woodland setting for the lodges is very relaxing.

These cottages vary in size from 4 bedded to 16 bedded all with full bathroom facilities and separate sleeping arrangements in the larger ones. All are equipped with flat screen TV and terrace with garden furniture.

Meals are taken in one of the centre's five restaurant's and include Italian theme, buffet choice and fiery grill specialities. There is also a supermarket on site.

HOLLAND EASTER CLASSIC

We arrange entry to the Holland Easter Cup which is a huge tournament run across many age groups during the 2 days of the Easter weekend. This tournament is played in the Brabant and Limburg regions of Holland and is an easy journey from our accommodation.

THE AJAX EXPERIENCE

One of Europe's top sides with a fantastic and long history. You can be part of this with your official football development tour including coaching run by the AJAX

Academy coaches and operated in the superb Academy Training Facilities (De Toekomst), together with a tour of the Amsterdam Arena Stadium experiencing numerous exhibits of previous successes including European Cup triumphs.

All communications relating to this contract (in particular any requests to cancel or amend your tour arrangements) must be from the Lead Name in writing and in English and delivered by hand, fax email or sent by recorded delivery post.

4. HOLIDAY PRICES & GUARANTEE

The lead in prices shown in this brochure are for guidance only and we reserve the right to change any of these prices. Prior to making your reservation you will be given a detailed price breakdown. Prices shown in the brochure will be based on the exchange rates shown in the Financial Times on 17th April 2018. The rates were as follows:- Euro = 1.158. US\$ = 1.433. Canadian \$ = 1.802.

Once the final price of your arrangements has been confirmed, no amendment will be made to it unless it is to make a correction to an error, or if our costs change as a result of an increase or decrease in transportation costs or dues, taxes or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports or as a result of any changes in the exchange rates which have been used to calculate the cost of your arrangements. Furthermore, surcharges may result due to governmental action, and/or changes in VAT rates on Accommodation and local services. However, there will be no change within 30 days of your departure.

Our prices are valid and applicable for pupils up to 16 years of age in full time education. The adult supplement is applicable for clients who are 18 years or over at the time of travel, and there maybe a small supplement for students between 16 and 18 years of age. Additional adults in excess of the numbers offered as 'free places' can normally be accepted at a supplement quoted by our office. Especially during high season it should be stressed that single, twin or double room requests must be kept to a minimum, and are strictly subject to written confirmation by the Company.

All tours are subject to surcharge as a result of circumstances referred to above. In all cases where a surcharge is applicable you will be notified up to 30 days prior to departure if a surcharge is due. We will absorb an amount equal to 2% of the tour price, excluding any insurance premium, amendment fees and changes in VAT. Only amounts in excess of 2% will be surcharged with a £1 per person administration charge. If this means paying more than 10% of the tour price you will have the option to change to another tour, if we are able to offer one, or to cancel the tour and receive a full refund of all money paid (minus insurance premiums and any amendment fees incurred). *£50 for tours costing less than £350.

Should you wish to cancel because of this, you must exercise your right to do so within 14 days from the issue date printed on the surcharge advice.

We will consider an appropriate refund of the insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your tour go down due to the changes mentioned above, by more than 2% of your tour cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

5. FINANCIAL PROTECTION

The Package Travel, Package Holidays and Package Tours regulations of 1992 requires us to provide security for the monies that you pay for all holidays booked through this brochure and for your repatriation in the event of our insolvency. We provide this security by way of a bond held with ABTA the Travel Association. Ski and Sport are members of ABTA (No Y4964). All tours by air have protection by way of a bond held by the CAA ATOL (Air Travel Protection License) No. 10526. We can also offer customers an arbitration scheme for the resolution of disputes arising out of, or in connection with, this contract.. Further information on the Code and arbitration can be found at <http://www.abta.com>

The Arbitration scheme is arranged by ABTA and administered independently by ADRS, part of the Chartered Institute of Arbitrators. It provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. The scheme does not apply for claims greater than £5,000.00 per person or £25,000.00 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1000.00 on the amount the Arbitrator can award per person in respect of this element. The application for Arbitration must be received by IDRS within 9 months of return from the holiday. Outside this time limit arbitration under the scheme may still be available if the Company agrees, but the ABTA Code does not require such agreement.

For injury and illness claims you may wish to use the ABTA/Chartered Institute of Arbitrators Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. The aim is to help you resolve your dispute in a quick cost effective way. Again details are available from www.abta.com If you book arrangements other than a package tour (as defined by The Package Travel, Package Holidays and Package Tours Regulations 1992,) the financial protection referred to above does not apply.

6. ALTERATIONS AND CHANGES BY YOU

Should you wish to make any changes to your confirmed booking, you must notify us in writing as soon as possible. We will do all we can to make the necessary amendments, provided we have written confirmation of the change from the person who signed the booking form. Where we can meet your request we reserve the right to make an administration charge of £20 per amendment, together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers in making the change. This includes name changes.

7. IF WE CANCEL OR CHANGE YOUR HOLIDAY

Because arrangements shown in this brochure are made many months in advance, changes are sometimes necessary. These will usually only be minor changes that do not entitle you to compensation. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Most changes will be considered minor such as but not limited to changes to overseas airport, airline, aircraft, ferries or coaches used, changes to departure times of less than 12 hours or the withdrawal of certain facilities. These changes will be advised at the earliest possible date.

Occasionally, we have to make a significant change which includes a change of accommodation to that of a lower official classification or standard for the whole or a major part of the time you are away, a change of resort from one country to another, a change of outward departure time of more than 12 hours. In the unlikely event of this happening you will have a choice of the following options:

- a) Accepting the changed arrangements
- b) Purchasing an alternative ski tour from us, of a similar standard to that originally booked if available (if the chosen alternative is less expensive that your original one we will refund the difference, but if it is more expensive we will ask you to pay the difference), or
- c) Cancelling, in which case you will receive a full refund of all monies paid within 14 days.

Compensation will be paid, as outlined below, per full paying passenger, if we have to make a major change to your tour within 10 weeks of the scheduled departure date unless the change is due to circumstances beyond our control including, but not limited to, war, the threat of war, riot, civil commotion, actual or threatened terrorist activity, act of god, industrial dispute, governmental action, epidemic, disease, adverse weather or natural disaster:

More than 70 days	Nil
70-30 days	£5 per paying member
28-15 days	£10 per paying member
14 days or less	£15 per paying member

On rare occasions, especially at the beginning and end of the season, a ski area may be without snow. When we know that to be the case before departure, we may, at our absolute discretion, offer affected clients the option of transferring their ski tour and/or their accommodation to other ski areas in the same or other countries in order to make skiing possible. Snow is of course totally outside of our control and a lack of it will not constitute a significant change, compensation payments referred to above will not therefore in this case apply.

Compensation will not be payable if we are forced to cancel, or in any way change your tour for reasons of consolidation due to minimum numbers not being attained or force majeure. Operation of all tours is dependent on a minimum number of persons booking the tour. If that number is not achieved, we reserve the right to cancel the tour.

In no circumstances, except for non payment of the balance, or events beyond our control, will we cancel your tour within 10 weeks of departure. NB In the interests and the comfort and safety of all our customers, employees and suppliers, we reserve the right to terminate the tour arrangements of any customer whose behaviour, in our opinion, or the opinion of other persons in authority, is such that it likely to cause upset, danger or injury to our staff, customers or others or damage to property.

8. OUR LIABILITY TO YOU

Our contracts with hotels and carriers provide for the allocation of rooms and seats to us. Your booking will normally be made within those allocations but no specific rooms or seats can or will be confirmed. However, we accept responsibility for ensuring that all to a reasonable standard. Our obligations, and those of our suppliers providing any service or facility included in your tour, are to take reasonable skill and care to arrange for the provision of such services and facilities. You must show that reasonable skill and care has not been used, and that you have suffered loss as a result, if you wish to make any claim. We will though not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim which results from:

- (a)The act(s) and/or omission(s) of the person affected:
- (b)The act(s) and/or omission(s) of a third party not connected with the provision of the services contracted for and which were unforeseeable or unavoidable;
- (c)Force Majeure as defined or unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or
- (d) an event which either ourselves, our employees, agents or suppliers and subcontractors could not, even with all due care, have foreseen or forestalled. In the event of (b), (c) and (d) above, we will nevertheless provide you with reasonable assistance should you require it but reserve the right to pass on any charges we incur.

The services and facilities included in you tour will be deemed to be provided with reasonable skill and care if they comply with any local regulations which apply, or, if there are no applicable local regulations, if they are reasonable when compared to the local standards or customary practice of the service or facility in question. The fact that services or facilities do not comply with local or UK guidance or advice shall not mean that the services or facilities have not been provided with reasonable skill and care.

We limit the amount of compensation we may have to pay you if we are found liable under this clause as follows:

- (a) Loss of and/or damage to any luggage or personal possessions and money, Where we are found liable for loss of and/or damage to the above, the maximum amount we will have to pay you is limited to the excess amount payable under the insurance policy we offer per person affected. You are required to have taken out adequate insurance at the time of booking.

- (b) Claims not falling under (a) above or involving injury, illness or death The maximum amount we will pay you in respect of these claims is twice the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party proves you have not received any benefit at all from your booking.

- (c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel.

TERMS & CONDITIONS

The extent of our liability will in all cases be limited to the same extent as if we were carriers under the appropriate conventions, Directives and Regulations, which include but are not limited to The Warsaw/Montreal Convention (international travel by air); The Athens convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel); and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these conventions from our offices or obtain them on the internet. In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' are incorporated into this contract and will apply to you on this journey. When arranging transport for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of carriage'. You acknowledge and agree that these form a part of your contract with us, as well as with the transport company applicable.

In any circumstances in which a carrier is liable to you by virtue of the denied boarding regulation 2004, reimbursement, in such cases, is the responsibility of the airline and will not automatically entitle you to a refund of your holiday cost from us. If any payments to you are due from us, any payment to you by the airline will be deducted from this amount. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from any supplier or transport provider or hotelier for the complaint in question. It is a pre-condition of our acceptance of liability under this clause that you notify ant claim to ourselves and our suppliers strictly in accordance with the complaints procedure set out in clause 11 of these conditions failing which no payment will be made.

Where any payment is made, that the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require. We will not accept responsibility for services or facilities which do not form part of our contractual agreement as set out in our confirmation invoice. For example any excursion you book, or any service or facility which your hotel or any other supplier agrees to provide to you.

9. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributed to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

10. PASSPORT, VISAS & IMMIGRATION REQUIREMENTS

Whilst we are able to provide basic advice to clients regarding passports and visa requirements, you should check with the appropriate Embassy, Consulate or British Foreign Office for the exact requirements of the country (ies) to or through which you are intending to travel. Requirements may change and you must check for your chosen tour and date of travel.

The partly leader is entirely responsible for the completion of passport and visa formalities and other personal arrangements which may be necessary such as visa for non-British citizens. We cannot accept responsibility for any cost or fines incurred due to non-compliance with the above nor can we accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation.

For all passport information, contact the UKPS National Advice line or online at www.direct.gov.uk/passports

11. CAN SOMEONE TRAVEL IN YOUR PLACE

Only if the proper amendment procedure is followed – see clauses 3 & 6. Accommodation is reserved only for the use of the persons named on the passenger names list. Subletting, sharing or assignment is prohibited.

12. IF YOU HAVE A COMPLAINT

We aim to provide you with the best tour possible, but if a problem should arise, you must report it immediately, or as soon as is reasonably possible, to our local representative, our country manager or our office and to the relevant supplier of the service , so that we are given an opportunity to resolve the problem on the spot. If, after allowing our representative the opportunity to deal with the matter, you remain dissatisfied, your party leader should ask our representative for a customer services report form and record your dissatisfaction formerly in writing.

Your party leader should then write to Ski and Sport, Unit 2 Willow House, 4 Stubble Hollow, Dronfield, Derbyshire S18 1PA - quoting your booking reference number, within 28 days of returning from your holiday. We will not accept liability for any complaint, not reported to our representative, if such a complaint could have been resolved had it been reported, nor for any complaint received outside the 28 day period. We always aim to resolve any complaint amicably, but if this cannot be done, you are entitled to take advantage of the Scheme of Arbitration previously described. We undertake to acknowledge receipt of your letter within 14 days and within 28 days to send you a full reply or an explanation for the delay. In any event we undertake to send you a full reply within 56 days. If you do not follow this simple complaints procedure your right to claim any compensation will be limited to £100.

13. TRAVEL INFORMATION ALL HOLIDAYS

Length of Tour- On all our coach holidays Ski and Sport consider day 1 as the departure day from the UK port and the final day as the arrival back into the UK. For groups who have a long journey too and from the UK port, the actual number of days involved overall may be greater than the advertised tour length because of this actual travel in the UK.

Coach Tours- All Ski and Sport tour are operated by Executive coaches. All the coaches we use are personally vetted by our staff and are all of a high standard. We only use reliable operators who in turn only use modern, comfortable coaches. All vehicles are fitted with the following features as standard:- Seat belts (which must be used at all times - the party leader and accompanying adults are responsible for ensuring that the lap belts are worn at all times during coach travel. Please note that coaches hired locally on the continent are not yet subject to the same legislation)

Your coach will pick your party up at your designated departure point, remain with you throughout the tour and return you to this point. Drivers Hours- All itineraries are agreed with coach companies prior to departure adhering to strict EU driving regulations. Please also note that due to driver's hours coaches may not be available to use prior to departure on the final day. Seat belts are now fitted to all coaches.

We reserve the right to utilize any empty coach seats for our clients or staff. Timings - all timings shown in our publications are for guidance only. They are subject to confirmation and alteration. Your confirmation of travel details will be given within 4 to 6 weeks of departure and after final balances have been paid. Delays- we would like to guarantee that all our departures would not be delayed and most do in fact depart on time. Unfortunately though, delays do occur. These are completely beyond our control but we work closely with our transport companies and overseas representatives to ensure any such delay is a short as possible. Our aim is to minimize the inconvenience of delays so far as is possible but your travel insurance offers real protection.

14. ACCOMMODATION AND RATINGS

Official ratings are set by the relevant authorities in each country and are mentioned in the brochure descriptions where applicable. Different countries do not have the same methods of rating hotels and holiday accommodation and, consequently, a 3 star hotel in one country may not have the same standards as a 3 star hotel somewhere else. It is also likely that there will be other guests staying in your accommodation and consequently facilities and entertainment may vary according to the mix and ages of such guests.

Rooms - Rooms are normally available from 1400 hours on arrival day and must be vacated by 10.00hrs on the day of departure. Every effort is made for the availability of washing and secure luggage storage facilities on the day of departure. On most occasions student accommodation will comprise of 2-4 beds per room, using bunk beds where appropriate, but will all have full en-suite facilities. Staff travelling with school groups will be given twin/double rooms where necessary but single rooms will carry the appropriate supplement.

Facilities - The cost of using hotel facilities eg Swimming pools, hot tubs etc are not always included. Please also note that any use of these facilities must be supervised at all times and no swimming facilities will be available when a full qualified attendant is not on duty. All opening times of said facilities must be adhered to.

Deposits - Some apartments and some hotels sometimes ask for a damage deposit. This deposit is fully refundable at the end of the stay provided no damage has been caused.

Please also note that most ski resorts with electronic lift passes also ask for a lift ticket deposit (approximately 5 Euros) which is also refunded on return of the lift

pass to our representative at the end of the week. Meals - All our school ski tours include full board with a hot midday meal unless an alternative is stated and/or requested. Adult passengers are on half board, again unless an alternative is requested. We believe that lunch is an important meal, especially for skiers, using high energy. Breakfast will be of a continental style unless stated otherwise. No drinks, other than with breakfast and water, are provided on any tour.

Facilities - Wi-fi and Internet services in hotels is subject to local supplier conditions over which we have no control and so cannot be responsible for non-availability or absence of service.

Where accommodation is described as offering 'doorstep' skiing it will be dependent on individual skiers ability and snow conditions in resort. Where walking distances are quoted, it is based on the guideline time for an adult walking 100m in one minute in standard footwear as timings will vary on footwear and conditions including personal fitness. Free ski bus services may be subject to capacity restrictions.

15. SNOW GUARANTEE

Our resorts have been chosen carefully for their snow record and back-up but in the event of you not being able to ski in the resort of your choice, due to closure of all the lifts in your resort, as a result of insufficient snow, or avalanche. Ski and Sport will transport you each day, if possible, to the nearest skiable resort and provide you with a lift pass for that resort up to a maximum cost of £20 per person per day. In the event of this not being possible each paying person will be able to claim through the inclusive insurance policy, if taken, up to £20 per day for each complete day you were unable to ski. Please note that this guarantee is only applicable for tours taken between 31st December and 31st March. No other refunds will be made for prebooked services. Piste closure insurance does not apply when lifts do not operate due to mechanical failure or adverse weather conditions such as high winds or blizzards.

16. HOLIDAY INFORMATION, PASSPORTS AND VISAS (BRITISH CITIZENS)

A valid passport is essential when you travel abroad. If you need to apply for a passport or renew an expired one, you should do so well in advance of travel (at least 2 months before travel). In peak periods it is advisable to allow even longer. If, after booking a holiday, but before travelling, any members of your party change their name eg marriage, we must be informed immediately so that we can make the necessary changes to your documentation. Failure to advise us of such changes could result in tickets and insurance becoming invalid. Please note that both passport and visa regulations can change and therefore you should check with the necessary authorities or embassy well in advance of travel. It is your responsibility to be in possession of a valid passport and, if necessary, a visa. It can often take some time to obtain a visa so you are advised to apply in good time. It is essential that holders of non British passports check entry requirements with the consulate or embassy of the country to be visited. This is particularly important with France where all non EU nationals must apply for a visa if travelling to or through France.

WE CANNOT ACCEPT RESPONSIBILITY FOR CUSTOMERS WHO DO NOT POSSESS THE CORRECT DOCUMENTS.

17. AGES AND ADULTS

Prices are valid for pupils in full time education, aged 17 years and under on the day of departure. Pupils in full time education aged 18 and over may be required to pay a small supplement. In certain resorts pupils aged 13 and over may be required to pay a supplement, this will be advised to you at the time of booking. Concessions for party leader children are also based on the child being aged 17 and under on the day of departure. Accompanying adults over and above the free place ratio on a school tour will be required to pay a supplement of £60 per adult (max 5 extra adults), and the relevant adult lift pass supplement. Please note we can not guarantee rooming requests for additional adults joining a group. Ski and Sport reserve the right to re-cost the tour if more than 20% of the party are aged 19 and over.

18. SAFETY STANDARDS AND RISK ASSESSMENT

The safety standards and regulations overseas are those of the country in question and are not necessarily the same as those of the UK. The monitoring, enforcement and compliance with local regulations is carried out by the appropriate authorities in the country concerned. We do urge that you take all reasonable precautions to protect yourself and your group whilst on your tour. Ski and Sport also have a risk assessment available for all passengers including a detailed examination of all hotels used.

19. BROCHURE ACCURACY

All resorts and accommodation descriptions are carefully checked by our staff before going to print. However hoteliers and providers of services etc may withdraw a facility temporarily, or otherwise, especially at the start or end of a ski season. This is beyond our control. When we are told of any long term or significant changes we will inform you at the time of booking, or, if you have already booked we will advise you before departure if there is time. Some advertised amenities such as sports facilities may carry a charge. Both descriptions and photographs depict facilities that may not necessarily be available throughout the season. It should be remembered that adverse conditions such as high winds or too much snow may result in the closure of ski lifts, toboggan runs or other amenities.

20. HEALTH PRECAUTIONS

The Party leader signing the booking form is entirely responsible for passing on any health requirement information to other party members. Party leaders may wish to refer to the Department of Health leaflet T7.1. Facilities, hygiene and disease vary world-wide. You should take health advice about your specific needs as early as possible. Sources of advice include the Department of Health's free leaflet as mentioned above –"Health Advice for Travellers" available from places such as your GP, Post Office or on-line. We also recommend party leaders consult their own doctor who will be best positioned to take into account any relevant personal factors or medical requirements. We recommend that all party members travelling within the EU have a valid EHIC.

21. SPECIAL REQUESTS

We will do out utmost to pass on any special requests (eg cots, special meals) to the appropriate persons provided they are made known to us well in advance of travel and in writing. However we cannot guarantee that any/all special requests will be fulfilled and failure to do so does not constitute a breach of contract. If you are disabled - whilst we will do everything we can to provide the highest level of service to all our customers we feel that it is only right to point out that we are not a "specialist" tour operator in the field of travel for the disabled. The majority of overseas hotels and apartments are not equipped to cater for the needs of many disabled holiday makers. Furthermore the natural terrain, weather and layout of many ski resorts can make life difficult for wheelchair users. It is therefore important, if you have a disability, that the appropriate enquiries are made about the suitability of particular resorts and accommodation and that you are fully satisfied that you have made the correct choice before you book and confirm the holiday.

22. VAT

All tour prices with Ski and Sport are quoted inclusive of VAT. Please note that all our tours fall within the Tour Operators Margin Scheme (TOMS) for VAT purposes and therefore it is not possible to issue a VAT invoice. In all cases no VAT reclaim will be possible. Please contact us if further clarification is required.

23. DATA PROTECTION

None of the information you provide to Ski and Sport in connection with your booking, will be divulged to persons unconnected with your booking without your express permission. The contact details supplied, including postal address, contact numbers and email address, will only be used to fulfill tour administration and to communicate details of Ski and Sport products and services. The personal information supplied about party members will only be used to allow our employees, agents, sub-contractors and suppliers to provide the promised service to our normal high standards.

24. INSURANCE

We insist that all travellers take out a comprehensive policy of insurance to cover yourself against cancellation by you; the cost of assistance (including repatriation) in the event of illness or injury; loss of baggage and money; and other expenses. A comprehensive policy of insurance is included in our tours unless requested otherwise. We strongly advise you check it carefully to ensure that all the details are correct and that all relevant information has been provided by you (eg pre-existing medical conditions). Failure to disclose relevant information will affect your insurance. We strongly recommend that you obtain and carry a medical consent form for each member of your party under the age of 18 years.
